*Special to The New York Times.*

PHILADELPHIA, Pa., Feb. 6.—The University of Pennsylvania ice hockey sextet turned in its first victory of the season tonight when the Swarthmore ice hockey club players were defeated at the Arena by a 3 to 2 score. A rally in the final period gave the Red and Blue skaters their triumph.

Three members of the Swarthmore club are former Quaker City players, and this trio—Hill, Dexter and Henriques—starred for the losing team. Hill scored both goals for the club team, counting twice in the second half.
