

MIDDIES SET BACK BIG GREEN NINE, 9-0

Navy Batsmen Pound Gray and Hughes—Werner Hits Homer With 2 on in First

SMITH YIELDS 4 SAFETIES

Annapolis Captain Strikes Out 12 Men—Penn Vanquishes Vermont Team by 5-4

Special to THE NEW YORK TIMES.

ANNAPOLIS, Md., March 29—The Naval Academy baseball team triumphed, 9 to 0, over the touring Dartmouth squad today as Captain Norman Smith pitched in mid-season form and the home batsmen came through with timely hits. Smith limited the visitors to four widely scattered blows and was in trouble only in the sixth inning when Burns and Broberg singled. Dartmouth lost its chance to score as the Tar infield completed a fast double play to end the inning. Smith fanned twelve men, including the last two batters to face him.

In Trouble at Start

Will Gray started for Dartmouth but got into trouble in the first inning when Sherwood Werner hit a home run far over Right Field Dix Daniel's head. Jackie Stowe, who had reached first on an error, and Jack Brennan, who hit safely, were on the bases at the time of the circuit clout.

Another Dartmouth miscue and a two-bagger by Stowe produced a fourth Navy tally in the second inning. Smith helped his own cause with a single which scored two unearned markers in the third. Big Pidge Hughes took over the mound duty for the Big Green team in the sixth and Navy got to him for their final trio of runs in the seventh.

Walks Werner In 7th

The Dartmouth southpaw walked Werner in the seventh. Al Lasater sacrificed the middle first sacker to second base. Hal Harwood followed by drawing a walk and consecutive singles by Little Jake Rupert and Lefty Lavrakas netted the three runs.

The game was played in a cold temperature and a high wind. Even so, Navy flashed a good defensive game and produced hits in the pinches. Bobbles kept Dartmouth's starting pitcher in the hole.

The box score:

| DARTMOUTH | | NAVY | |
|-------------|----|------|---|
| ab | r | ab | r |
| Burns, lf | 4 | 0 | 2 |
| Broberg, cf | 4 | 0 | 1 |
| Gray, 3b | 4 | 0 | 1 |
| Lewis, ss | 4 | 0 | 4 |
