## League Game With Penn Nine Is Called at End of Third

Rain at the end of the third inning made it impossible for the baseball game between Columbia and Pennsylvania at Baker Field yesterday to be continued. At the time the Lions held a 3-2 lead.

Whether the game will be re-scheduled is not definite. If it is not played, Columbia's chance to tie for the Eastern Intercollegiate League crown it won last season will vanish. Princeton, its season concluded, is in first place.
